**Re: *Rutherford and Gallman v. City of Mount Vernon, et al.*, 18 CV 10706**

Dear Magistrate Judge Krause,

As you know, we represent Plaintiffs in the above-captioned matter. I write with the consent of Defendants' counsel and on behalf of the parties to inform the Court, in advance of tomorrow's scheduled conference, that we are continuing document discovery largely consistent with the schedule previously approved by the Court. Given that, and the fact that no matters requiring the Court's attention have arisen, the parties would be happy to adjourn tomorrow's conference to a time convenient for the Court. We apologize for sending this update on the eve of our scheduled conference and are prepared to appear should the Court nevertheless wish to hold the conference.

Very truly yours,

Karen A. Newirth
